To our helpful and understanding teachers who have rendered every service possible to uphold the tradition of Westfield School; to those who have worked without ceasing for our educational life; to those who encouraged us and guided us in all our undertakings; who in our first years of school at Westfield taught us willingly, faithfully, and with fullest capacity, we, the Senior Class of 1961 proudly dedicate this edition of "THE ORIGO" to our

ELEMENTARY TEACHERS

It is with respectful hearts and loving remembrance that we honor our former teacher, Mrs. Lucille Ball. Mrs. Ball began teaching here in 1930. We were all saddened by her death on April 14, 1958. She taught many of us with patience and kindness, and we will always remember her as one who helped us with those first miles on the road of life.

Pickey,

Words cannot express how much I have enjoyed going to school with you. I will always remember the good times we've had. You are one of the nicest boys I have ever met. Your smile and personality with help ^{you} in the future. May you have the best of luck in all that you do and always stay as sweet as you are.

A friend,
Fatherine
